This is a huge event, drawing over one million people throughout 17 days. This is a tremendous opportunity to promote New Hampshire and New Hampshire products. The 2007 Eastern States Exposition is scheduled for:

September 14-30, 2007

The following outlines the process for the assignment of commercial booth space within the New Hampshire Building at Eastern States Exposition. This procedure attempts to provide a fair opportunity for all potential exhibitors to have a reasonable chance to access booth space. Please read the following information carefully and note the deadline requirements.

Application for booth space: Any party wishing to apply for commercial booth space shall make application on the enclosed form. Applicants are asked to be specific in describing the nature of merchandise they wish to sell.

Selection of booth exhibitors: All applications are reviewed by a selection committee which recommends to the Commissioner of Agriculture,

Markets & Food exhibitors best suited to meet the goals of the building. The primary goal of the New Hampshire Building at the Big E is to promote the breadth and diversity of New Hampshire through its agriculture, craftspeople, commerce, tourism and culture. Of supreme importance are the people working in the booth, who are perceived as "New Hampshire" by the fair going public. Applicants who have not exhibited previously may be interviewed prior to final selection. Exhibit space in the New Hampshire Building is limited. Exhibitor selection is a competitive process and all applications are reviewed equally each year by a selection committee. The selection committee is made up of different individuals each year. There is no assurance of exclusivity for any exhibitor as to product offerings.

We have a commitment to offer qualified, small, New Hampshire businesses the opportunity to exhibit in the New Hampshire Building. We are also committed to having diversity and freshness in the range of exhibitors included in the building.

The criteria for selection emphasizes unique New Hampshire-made merchandise. New Hampshire-made or crafted products are to exemplify the talent, skills, innovation and industry of New Hampshire artists, craftspeople, agricultural producers or manufacturers.

Only items which are produced, grown, crafted, manufactured or significantly altered in New Hampshire may be sold in the New Hampshire Building. Exceptions must be noted on the application form with explanation and are subject
